

Senior Planner – Reurbanization (Job #140)

Cambridge is a thriving city located in Canada's Technology Triangle, a rich industrial heartland of southern Ontario. We are strategically located astride highway 401, and minutes from major metropolitan cities. Our quality of life makes Cambridge a fine place to call home for over 129,000 citizens. Cambridge offers historic, small-town charm with diverse recreational facilities, trails and parkland, a wide range of arts, culture and theatre events and attractions throughout the year and a strong future of continued cultural, commercial and industrial growth and development. Our distinctive 19th century architecture offers a beautiful backdrop for shopping, dining & colourful festivals.

There is an opening for the above position within the Policy Planning Division of the Planning & Development Department available immediately. Reporting to the Manager of Policy Planning, this position is responsible for the following duties:

- Manages projects relating to reurbanization, as well as general planning policy. Includes interaction with public, agencies and staff from City and Regional departments.
- Prepares reports indicating planning opinions and/or recommendations and processes development applications related to reurbanization proposals.
- Manages financial programs for core area development and revitalization, and brownfield redevelopment.
- Manages large scale planning projects including policy and regulation review and analysis, preparation of new City planning documents. Prepares agendas, work plans, budgets and strategies for various major policy planning projects.
- Reviews Cambridge Official Plan for required updates/amendments and processes required updates/amendments, including any OMB appeals.
- Acts as City representative on various projects for the public, Region and agencies, including presenting to various groups and Council.
- Manages the Core Areas Revitalization Advisory Committee.
- Chairs or sits on various technical and steering committees.
- Backs up other Senior Planners as required.

Minimum Requirements:

Possession of a 4 year Undergraduate Degree in Planning or equivalent with a specialty in Urban Design, Economics or Finance, along with 4 years related Planning experience.
