BUSINESS AND
INDUSTRIAL DIRECTORY
2006

FOREWORD

The 2006 edition of the Cambridge Business and Industrial Directory provides information on 1,054 businesses located within the City. In all, there are 6,662 businesses in Cambridge in the retail, manufacturing, service and other sectors. The types of businesses listed in this directory are primarily manufacturing, wholesaling, distribution and service firms.

The Directory is intended for a number of user groups. It is primarily designed to assist businesses to source products, materials and services in Cambridge. It is also used as a source of information by sales and marketing people, job seekers and other private/public groups assessing the business opportunities in Cambridge.

This Directory is also available for viewing and customized searches on the City of Cambridge website at: www.city.cambridge.on.ca under Economic Development.

The information in this directory was compiled by City of Cambridge, Economic Development staff, based on responses received from individual companies to a questionnaire distributed in late 2005. We have attempted to ensure that the information is as complete and accurate as possible. We apologize for any inaccuracies, and should you notice any errors or omissions, please notify us and we will make the corrections for the next edition.

If your Company is new to Cambridge, or if your manufacturing or service industry is not yet listed in this City Directory, please contact us with your company information, so we may add it to the Directory for the next printing.
