BizPal comes to Waterloo Region

Waterloo Region – With the launch of BizPal in Waterloo Region, it just got a little bit easier for businesses to get the information they need.

BizPal is a partnership involving multiple levels of government, formed to provide members of the business community with one-stop, online access to the permits and licences they need to start, operate or expand their businesses. BizPal is a web-based service that allows business clients to easily generate customized lists of permits and licences required from all levels of government.

The Federal and Provincial governments, Region of Waterloo, Cities of Cambridge and Kitchener and the Township of Wellesley have partnered to bring this exciting new tool to Waterloo Region businesses.
