Cambridge, Ontario. February 24, 2010, 2010... A night to recognize the important actions of community residents and mark the promotions of Cambridge Fire Department personnel is slated for Friday, February 26, at 7:00 pm. News media are invited to this 3<sup>rd</sup> Annual Event which will take place in the Bowman Room of Cambridge City Hall, 50 Dickson Street.

"It's a night to pay tribute to the fire department staff for their contributions to the team as well as to recognize the important actions of members of the public at a number of fire scenes throughout 2009," says Deputy Fire Chief Bill Chesney.

Highlights of the program include presentations of long service medals and provincial services bars.

The Cambridge Fire Department has a complement of 138 employees and consists of seven divisions: Suppression, Administration, Training, Mechanical, Fire Prevention, Public Education, and Communications. There are five stations located strategically throughout the City. Station #1 houses the main administration offices and is the secondary Emergency Operations Centre for the City.
