

CAMBRIDGE CITY GREEN MOVIE NIGHTS

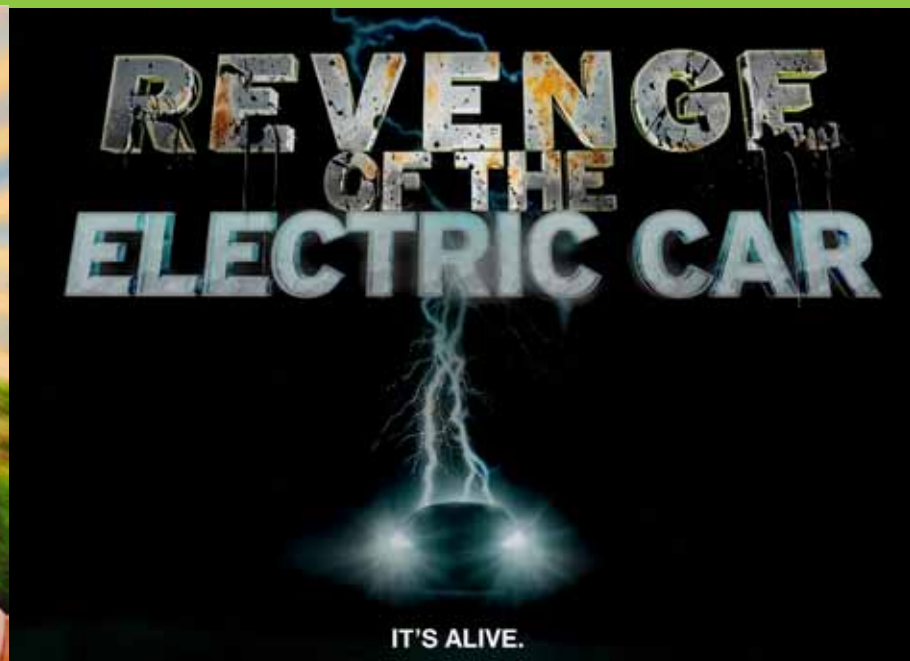

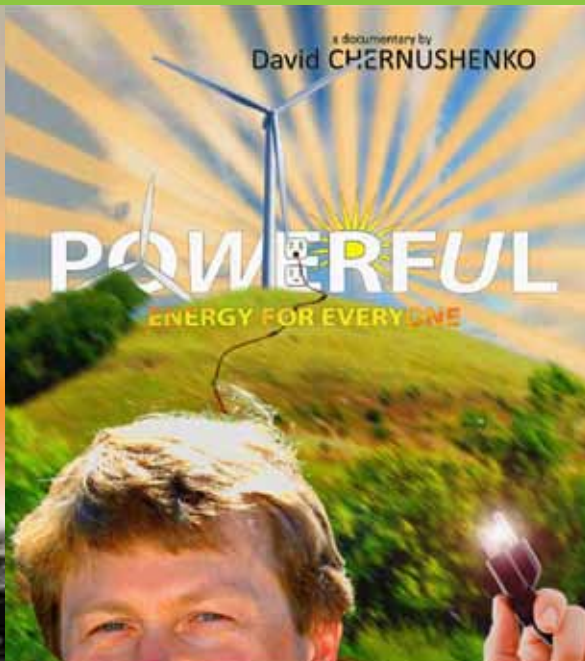

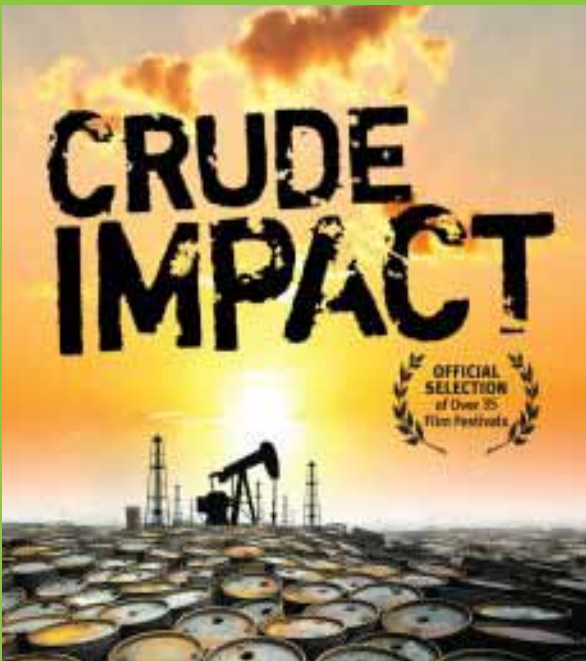

FREE!

What makes a sustainable society and how can YOU make a difference?

February 22nd

February 29th

March 8th

Movies begin at 7pm, Bowman Room, Cambridge City Hall

Who is Cambridge City Green?

Cambridge City Green is a group of volunteers who encourage and coordinate community projects that benefit our local environment and promote individual lifestyle changes for a sustainable Cambridge. Cambridge City Green is a subcommittee of the Council-appointed Cambridge Environmental Advisory Committee (CEAC). Cambridge City Green volunteers have initiated the Cambridge Stewardship planting projects, coordinated annual litter clean ups, and have regularly hosted an annual event. Join us for the Cambridge City Green Movie Nights.
