Your International Business Connection

January 18, 2012

KLEINHAN'S MUSIC HALL
BUFFALO, NEW YORK

Keynote Speaker

NEIL FRASER
President,
Medtronic of Canada, Ltd.

the world's largest medical device company

World Trade Celebration has become the premier networking and business development event for executives engaged in global commerce in the binational region of Western New York and southern Ontario. This event is an excellent opportunity for you to entertain and cultivate your customers, suppliers, clients, employees and prospects.

Join us for high-level networking, educational programs, international company showcase, cocktails, dinner and insights from doing business in the medical industry.

Transportation to and from the event will be available from various locations around the Greater Toronto Area. See page two for more details.
