Volunteer Opportunities

Volunteer and Make a Difference.

Many different volunteer opportunities are available at GCCC. Join one of our committees, our Board of Directors, assist with reception duties, any of our programs and/or special events.

For students needing to complete their 40-hours of community service, there are many programs that need program assistance.

The LIT (leader in training) program will be back this summer. Stay tuned for more information! (High-school hours can be collected for this program.)

Please call the Centre for more information on volunteer opportunities.
