What you need to know when REGISTERING YOUR CHILD ...

Registration details for the various sites including dates, times, ages and program locations for the various sites are listed on the pages that follow. **Note that all program locations are pending approval and subject to change.**

- Pre-school children must be toilet trained prior to program registration.
- At registration you will be required to provide the following information: birth date; phone numbers (home / business / cell) of parents or guardian and an alternative contact; any medical or allergy information of which we should be aware.
- **NEW** Online registration is now available for City of Cambridge operated sites.

Please be advised that **children with special needs** will be asked upon registration if they require additional support or specialized accommodations in order to participate in program. If support is required Inclusion Services will be in contact with the family to arrange the details. Starting in 2011, support will no longer be managed through an applications process. All children are encouraged to register for the summer program of their choice. Programs will be staffed according to overall participant needs.

Program Subsidy:

- Subsidies are available for all programs **but must be arranged in advance of program registration** through the host organization.
