A **Qualified person's statements and certifications**

As the qualified person, I certify that:

A phase one environmental site assessment of the record of site condition property, which includes the evaluation of the information gathered from a records review, site reconnaissance, interviews, a report and any updates required, has been conducted in accordance with the regulation by or under the supervision of a qualified person as required by the regulation.

As of 2021/05/10, no phase two environmental site assessment is required by the regulation for the record of site condition property and based on the phase one environmental site assessment for the record site condition property, in my opinion, it is not necessary for any other reason to conduct a phase two environmental site assessment for the record of site condition property.

As of 2021/05/10, in my opinion, based on the phase one environmental site assessment, there is no evidence of any contaminants in the soil, ground water or sediment on, in or under the record of site condition property that, if the record of site condition property were put to any of the types of property uses listed in subsection 1 (2) of the regulation, are likely to interfere with any of those types of property uses.

I am a qualified person and have the qualifications required by section 5 of the regulation.

I have in place an insurance policy that satisfies the requirements of section 7 of the regulation.

I acknowledge that the record of site condition will be submitted for filing in the Environmental Site Registry, that records of site condition that are filed in the Registry are available for examination by the public and that the Registry contains a notice advising users of the Registry who have dealings with any property to consider conducting their own due diligence with respect to the environmental condition of the property, in addition to reviewing information in the Registry.

The opinions expressed in this record of site condition are engineering or scientific opinions made in accordance with generally accepted principles and practices as recognized by members of the environmental engineering or science profession or discipline practising at the same time and in the same or similar location.

I do not hold and have not held and my employer ORBIT ENGINEERING LIMITED does not hold and has not held a direct or indirect interest in the record of site condition property or any property which includes the record site condition property and was the subject of a phase one or two environmental site assessment or risk assessment upon which this record of site condition is based.

To the best of my knowledge, the Certifications and statements in this part of the record of site condition are true as of 2021/05/10.

By signing this record of site condition, I make no express or implied warranties or guarantees.

By checking the boxes above, and entering my membership/licence number in this submission, I, HAFIZ AHMAD, a qualified person as defined in section 5 of O. Reg. 153/04 am, on 2021/08/13:

- a) signing this record of site condition submission as a qualified person; and
- b) making all certifications required as a qualified person for this record of site condition.

I agree

Additional documentation provided by property owner or agent

The following documents have been submitted to the Ministry of the Environment, Conservation and Parks as part of the record of site condition

Proof of appointment as receiver
Certificate of status or equivalent for the owner
Lawyer's letter consisting of a legal description of the property
A Current plan of survey
Table of current and past uses of the phase one property
Phase 1 conceptual site model
