

**OWNER/AUTHORIZED AGENT STATEMENT**

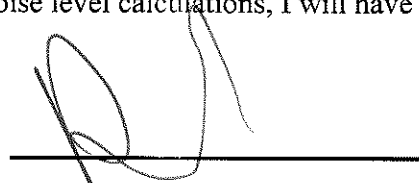

I am the owner of the property, or the owner's agent, and that I understand and agree with the noise attenuation measures proposed in study entitled "Noise and Vibration Feasibility Study, Proposed Residential Development, 1390 Pineview Avenue, Cambridge, Ontario" dated November 5, 2021.

The application has been designed to avoid the use of berms or walls as noise attenuation features where feasible. Where berms or walls are recommended, the Noise Study provides economic, planning and engineering justification.

If the application is changed in a way that may affect the noise level calculations, I will have a revised noise study submitted to the Region.
