To Property Owners and Residents:

Re: Cambridge Street and Park Hill Road Reconstruction – Delay of Stage 3

As per our previous notices, the Reconstruction of Cambridge Street and Park Hill Road is being completed in three (3) stages:

- Stage 1 – Park Hill Road from Ainslie Street to Wellington Street;
- Stage 2 – Cambridge Street from Park Hill Road to Bond Street; and
- Stage 3 – Cambridge Street from Bond Street to Dundas Street.

Stage 1 is substantially complete and Stage 2 is progressing and will be completed in November this year. Originally it was planned to complete Stage 3 this year as well, however due to some unforeseen delays **Stage 3 will not be started this year but will be done starting next spring.**

A notice will be delivered next year prior to the start of construction providing details on the construction schedule. If you have any questions or concerns at this time please feel free to contact me.

Yours truly,

Scott MacDonald, P. Eng.
Project Engineer
