

# Study Area

# Work Sheet

Please write your responses in the boxes below

1. How do you experience River Road? Do you drive, walk, cycle?

2. How do you experience Speed River? Are there any opportunities to experience the River?

3. Are there any specific views and vistas that ought to be preserved?

4. Are there additional vehicular or pedestrian only links that should be implemented in the area?

5. Based on current permitted land use policy, what design strategies would you like to see implemented to ensure fit in the neighbourhood?
