## Dear Resident

### Reference: **Greengate Village Subdivision, Phase 6 Grading, Servicing and Roadworks**

On behalf of the Developer, Greengate Village Inc., Stantec Consulting Ltd. wishes to advise you that servicing construction will be **commencing during the week of April 12, 2021 and to follow through the spring/summer for approximately 8-10 weeks.**

The project involves the grading, servicing and roadworks of residential lots for Phase 6 of the Development, complete with curb and gutter and base asphalt roadways.

All construction traffic related to this project will access the site via Main Street at Nottinghill Drive and Maple Bush Drive.

Stantec Consulting Ltd. is the Developer's Engineering Consultant for this project and, as such, will be providing Contract Administration and construction inspection services. A Stantec representative will be onsite during the construction activities. Please feel free to contact them directly with any concerns you may have. Alternatively, you can contact Mr. Vaughan Milligan at the phone number listed below for further information.

Mr. Vaughan Milligan  
Construction Services Supervisor  
Stantec Consulting Ltd.
