

CONSTRUCTION WORKS
Schedule Update
Vanier Drive
and
Ripplewood Road
August 2 to September 2nd, 2022

TO: PROPERTY OWNERS / RESIDENTS / BUSINESSES

The following is an update to the ongoing construction works at the locations noted above. Dates are approximate and the schedule is subject to weather.

1. RIPPLEWOOD ROAD

- Concrete curb and gutter is scheduled for the week of August 8th.
- Asphalt paving is scheduled for the week of August 22nd.
- Driveways, within the road right only, will be paved during the week of August 22nd
- Boulevard restoration will occur following the completion of asphalt paving

2. VANIER DRIVE (RIPPLEWOOD ROAD TO HIGHWAY 8)

- Completion of road base building to granular base (Vanier at Ripplewood) during the week of August 2nd
- Asphalt paving is scheduled for the week of August 22nd.
- Driveways, within the road right of way only, will be paved during the week of August 22nd
- Boulevard restoration will occur following the completion of asphalt paving

Over the next month, during the completion of the road works, you may be slightly delayed prior to passing an active construction area. Please ensure to allow additional time for travel on Vanier Drive and Ripplewood Road as these works are being completed.

Construction by its nature will cause some inconvenience including traffic delays, noise and vibration. Your patience and co-operation during construction will be greatly appreciated.

Should you have any questions/concerns/comments during construction, please contact the following:
