Petition Statement:

This petition is a pre-screening process requiring **(51%)** support before a formal questionnaire will be distributed to residents by the Transportation Section. **Your participation is not binding. The purpose of obtaining the (51%) support is to confirm the general support for this request prior to a questionnaire being issued. Only one vote from the property management will be accepted for multi-residential properties (e.g. apartments, townhouse complex, etc.).** Please note that Staff may randomly contact residents to confirm their support.
