Re: Item for Discussion – Motion of Support for Ban of Single-Use Disposable Wipes

At its meeting of January 23, 2020, the Council of the Corporation of the Town of Bracebridge ratified motion 20-GC-032/033, regarding the support for ban of single-use disposable wipes, as follows:

“WHEREAS Single-use wipes are a $6 billion industry and growing, and are now being advertised as a clean alternative to toilet paper that is safe to flush;

AND WHEREAS Single-use wipes accumulate in the sewer system and eventually clog the sanitary sewer system, requiring significant additional repair and maintenance;

AND WHEREAS the Municipal Enforcement Sewer Use Group (MESUG) estimates non-flushable materials cause $250 million in annual repairs across Canada;

AND WHEREAS a 2019 study released by Ryerson University tested 101 types of single-use disposable wipes and found that all of the wipes failed basic requirements of flushable products;

AND WHEREAS there is no one standard for what the word “flushable” means;

AND WHEREAS there is a lack of public awareness of the impact caused by non-flushable wipes being flushed down toilets and consumer education and outreach could play a large part in reducing the impact;

AND WHEREAS Single-use wipes, even when properly disposed of as waste, are an inefficient and unsustainable use of resources that contribute significantly to environmental degradation.

NOW THEREFORE BE IT RESOLVED THAT the Town of Bracebridge lobby the Provincial and Federal Governments to ban single-use disposable wipes;

AND THAT this resolution be forwarded to the Right Honourable Prime Minister of Canada; the Honourable Premier of Ontario; the Minister of the Environment, Conservation and Parks; the Minister of Municipal Affairs and Housing; the Association of Municipalities of Ontario (AMO); the Local Members of Provincial Parliament; and all Municipalities in Ontario.

AND FURTHER THAT the District of Muskoka be requested to endorse the resolution and the ban on single-use wipes.”
In accordance with Council’s direction I am forwarding you a copy of the associated memorandum for you reference.

Please do not hesitate to contact me if I can provide any additional clarification in this regard.

Yours truly,

Queen's Park Update

Cannabis

On December 12th, the government amended Ontario Regulation 478/18 under the Cannabis License Act, 2018. This opens Ontario’s cannabis retail market in 2020. Retail applications begin on January 6, 2020 and the new changes in the regulation include:

- Ceasing the lottery for retail licenses
- Eliminating pre-qualification requirements for retailers
- Allowing licensed producers to open retail store connected to a production facility

On March 2, 2020, the restrictions on the total number of store authorizations permitted in the province will be revoked. Licensed operators will be allowed to have up to 10 stores until September 2020, up to 30 stores until September 2021 and up to 75 stores afterwards. Store applications will only be eligible in municipalities that have opted-in to sell cannabis.

End of the Fall Legislative Session

The Legislative Assembly of Ontario ended its 2019 legislative session on December 12th and is adjourned until February 18, 2020. Here are some short summaries of Bills of municipal interest that have received Royal Assent.

**Bill 132, Better for People, Smarter for Business Act, 2019** – Received Royal Assent on Dec. 10th.
The legislative changes in Bill 132 of most municipal concern are to the Aggregates Act. While it is an improvement that a change will require an application process for below water table extraction, rather than just an amendment to a licence, it still allows the province to issue licences for below water table extraction while the Safe Drinking Water Act, Section 19 stipulates that owners of municipal drinking water sources are guilty of an offence if they fail to exercise care over a drinking water system, like a well. As aquifers are connected, a decision of the province to allow below water table extraction could lead to contamination of municipal drinking water sources.

Given the conflict between these two Acts, AMO had asked for a concurrent amendment to the Safe Drinking Water Act to indemnify Council members for decisions on Aggregates Act applications that the province makes. This amendment was not made to the legislation that now has Royal Assent. We believe this will result in municipal councils appealing all provincial decisions on below water table extraction to the Local Planning Appeal Tribunal (LPAT) to show appropriate due diligence.

As well through Bill 132, the Highway Traffic Act was amended to allow municipal governments to pass by-laws that will allow some off-road vehicles to be driven on municipal highways.

For more information on this omnibus bill, please refer to AMO’s Bill 132 submission.

Bill 138, Plan to Build Ontario Together Act, 2019 – Received Royal Assent on December 10th.

This omnibus Bill accompanied the 2019 Fall Economic Statement and affected 40 statutes. This included:

- Section 26.1 of the Development Charges Act is amended and will remove industrial development and commercial development from eligible development types that can be charged.
- Subsection 329 (2) of the Municipal Act, 2001 and section 291 (2) of the City of Toronto Act, 2006 has been amended regarding calculating property taxes when the permitted uses of land change.
- The Supply Chain Management Act specifies how the broader public sector may carry out supply chain management and procurement. AMO has confirmed that these provisions will not apply to municipalities.
- Section 37 of the Planning Act has been amended to set out a process for a person or public body to appeal a community benefits charge by-law to the Local Planning Appeal Tribunal.
- Section 40 (1) of the Liquor Licence and Control Act permits municipal councils to designate a recreational area under its jurisdiction to prohibit the possession of liquor.

Bill 136, Provincial Animal Welfare Services Act, 2019 – Received Royal Assent on December 5th.

This bill creates an animal welfare framework. Under the Act, in the event of a conflict between a municipal by-law and the Provincial Animal Welfare Services Act, the provision that affords the greater protection to animals will prevail. The legislation
requires an implementation of a full provincial government-based animal welfare enforcement model.

The province has confirmed that all enforcement mechanisms will be performed by them.

**Bill 124, Protecting a Sustainable Public Sector for Future Generations Act, 2019**  
– Received Royal Assent on November 7th.

Under Bill 124, broader public sector employee salary increases will be limited to 1% for the next three years. AMO has been assured that this Act does not apply to employers that are a municipality, a local board as defined in the *Municipal Act*, and persons and organizations that are appointed or chosen under the authority of a municipality.

Re: Town of Tecumseh Resolution on 911 Misdials

On behalf of Mayor Gary McNamara and Town Council, I am writing to advise that at its meeting on November 12, 2019, Tecumseh Town Council passed the following resolution:

Whereas the calls for service for 911 Misdials have risen dramatically in recent years, correlated with the rise in cell phone use; and

Whereas 911 Misdials must be responded to as if they were legitimate emergency calls; and

Whereas each 911 call is responded to with two OPP officers at an average time per call of 1.2 hours; and

Whereas each 911 call is a billable call to the municipality; and

Whereas in 2019 alone to date, 911 Misdials in Tecumseh number 1,082 calls, which is 28.8% of all billable calls for service to date; and

Whereas 911 Misdials are not unique to Tecumseh and in fact are common across the Province at an estimated cost of millions of dollars;

Now Therefore Be It Resolved That the Municipal, Federal and Provincial governments and relevant associations, including but not limited to, the Ontario Association of Police Services Boards (OAPSB), the Ontario Association of Chiefs of Police (OACP), the Federation of Canadian Municipalities (FCM) and the Association of Municipalities of Ontario (AMO), be requested to lobby the telecommunications industry and smart phone manufacturers to develop a solution to 911 Misdials.

A copy of the report to Town Council (CAO-2019-09) on 911 Misdials is attached for your information. Should you require anything further, please contact the undersigned at lmoy@tecumseh.ca or extension 116.
