

**Committee of Adjustment Meeting
January 10, 2024
CANCELLED**

We sincerely apologize for any inconvenience this may have caused. The reason for this cancellation is we do not have quorum – which would be the attendance of 3 voting members of the Committee. We only had 2 voting members for tonight’s meeting. This is very unusual and due to unforeseen circumstances.

All files will be re-scheduled to a new hearing in late January or early February. Full re-notification will be provided for that new hearing date including posting of signs and mailing of the hearing details to those property owners within 60 metres of the subject property.

If you have questions or comments, or wish to receive an email notice for the re-scheduled meeting, please contact planning@cambridge.ca and carlsone@cambridge.ca.
