Greetings,

The Cross Connection Control Program is going paperless!

Starting this spring we will be sending out communications via email instead of paper mail.

If you are a property owner or primary contact person that is responsible for ensuring compliance to the City of Cambridge Cross Connection Control Program, we ask that you provide us with an email address to ensure you continue to receive important program information including testing due dates, reminders, updates and notices.

Please send an email from your chosen contact email to CCCAAdmin@cambridge.ca and include the following:

- Your name and/or company name
- The address of the property you are responsible for (see above)
