Owner Statutory Declaration

I, John Cheung, am the owner of the property, or the owner's agent, and that I understand and agree with the noise attenuation measures proposed in studies entitled Roadway Traffic Noise Feasibility Assessment and Stationary Noise Assessment, both dated July 24, 2023;

The application has been designed to avoid the use of berms or walls as noise attenuation features where feasible. Where berms or walls are recommended, the Noise Study provides economic, planning and engineering justification; and

If the application is changed in a way that may affect the noise level calculations, I will have a revised noise study submitted to the Region.
